PROFESSIONAL SUMMARY

Results-driven Senior Frontend Developer with **5+ years** of expertise in React.js ecosystem and financial technology. Proven track record of building enterprise-grade applications serving **100K+ users**, improving performance by **40%**, and leading cross-functional teams. Specialized in secure banking solutions, scalable architectures, and performance optimization.

CORE TECHNICAL SKILLS

Frontend Expertise: React.js (Expert) • TypeScript • Next.js 14+ • JavaScript ES6+ • HTML5/CSS3 • SASS/SCSS • Tailwind CSS

State Management: Redux Toolkit • Context API • Zustand • MobX • React Query/TanStack Query

Backend & APIs: Java • Spring Boot • Node.js • Express.js • RESTful APIs • GraphQL • Microservices

Databases: MySQL • PostgreSQL • MongoDB • Redis

Testing & Quality: Jest • React Testing Library • Cypress • Playwright • TDD • 90% Code Coverage

DevOps & Tools: Docker • Kubernetes • CI/CD • Jenkins • GitHub Actions • AWS • Azure • Git

UI/UX: Responsive Design • Component Libraries • Design Systems • WCAG 2.1 AA Accessibility

PROFESSIONAL EXPERIENCE

Senior Frontend Developer | Sterling Bank Plc

July 2023 - Present | Lagos, Nigeria

- **Architected enterprise banking applications** serving 100K+ users with React.js, TypeScript, and modern security frameworks
- **Optimized performance by 35%** through advanced code splitting, lazy loading, and bundle optimization techniques
- **Implemented robust security measures** including JWT authentication, OAuth2, and XSS/CSRF protection for financial data
- **Achieved 90% test coverage** using Jest, React Testing Library, and automated testing pipelines
- **Mentored junior developers** on React best practices and financial application security standards

Tech Stack: React.js, TypeScript, Zustand, Azure DevOps, Tailwind CSS, Design Systems

Team Lead | Tripvalue

2022 - 2023 | Lagos, Nigeria

- **Led cross-functional team of 6 engineers** developing comprehensive logistics management solutions
- **Built scalable full-stack systems** handling real-time tracking, inventory management, and route optimization
- **Designed RESTful APIs** serving 50K+ daily requests with 99.9% uptime reliability
- **Improved team productivity by 30%** through established coding standards and agile development processes
- **Collaborated with stakeholders** to define technical requirements and project roadmaps

Tech Stack: React.js, Node.js, Express.js, MongoDB, Redis, Docker, Jenkins

Frontend Developer | Aid me

February 2020 - October 2021 & October 2021 - June 2023 | Lagos, Nigeria

- **Developed reusable component library** reducing development time by 25% across multiple projects

- **Implemented advanced Frontend architecture** for complex multi-module applications
- **Enhanced performance by 15%** through virtual DOM optimization and efficient rendering strategies
- **Improved accessibility scores by 40%** with WCAG 2.1 AA compliance implementation
- **Integrated 15+ third-party APIs** including payment processors and analytics tools

Tech Stack: React.js, Redux, TypeScript, REST APIs, Jest, HTML5/CSS3

Frontend Developer | Aglow Digital

October 2021 - December 2022 | Lagos, Nigeria

- **Boosted website performance by 40%** through React optimization and modern build processes
- **Contributed to 30% business growth** via improved user experience and scalable component architecture
- **Implemented A/B testing strategies** driving data-driven development decisions
- **Created pixel-perfect responsive interfaces** across multiple devices and platforms

Tech Stack: React.js, TypeScript, Webpack, SASS, Google Analytics

KEY ACHIEVEMENTS

-  **Performance Optimization:** Consistently achieved 35-40% improvement in application load times
-  **Security Implementation:** Successfully deployed XSS/CSRF protection across enterprise banking applications
-  **Testing Excellence:** Maintained 90% code coverage with comprehensive testing protocols
-  **API Integration:** Expert integration of 15+ real-world APIs with robust error handling
-  **Accessibility Champion:** Improved accessibility scores by 40% with WCAG 2.1 AA compliance

NOTABLE PROJECTS

Enterprise Banking Dashboard | Sterling Bank Plc
Built comprehensive dashboard serving 100K+ users with real-time transaction processing and advanced financial analytics
React.js • TypeScript • D3.js • Redux Toolkit • Spring Boot

Logistics Management Platform | Tripvalue
Developed end-to-end solution with real-time tracking, inventory management, and scalable microservices architecture
React.js • Node.js • MongoDB • Redis • Docker

Component Design System | Aid me
Created comprehensive reusable library adopted across projects, reducing development time by 25%
React.js • Storybook • TypeScript • Styled Components

EDUCATION & CERTIFICATIONS

Bachelor of Science in Public Administration
| National Open University of Nigeria

Professional Certifications: • AWS Certified Developer Associate
• React Advanced Patterns Certification
• Advanced Web Development Certification
• SQL Database Management Certification

LANGUAGES

English: Native/Professional Proficiency
